TREC Approved Proprietary School - ID# 1000052843

Dear Mr. Youngblood:

Young D. Lane Learning, Inc. dba Real-CE.com - #701047 has been accredited as a TREC-approved proprietary school for a four-year term.

Accreditation Date:	October 19, 2016
Accreditation Expiration Date:	October 31, 2020

To maintain your accreditation, an annual fee of \$200 will be due each year on or before the anniversary date of your accreditations. The first annual fee will be due on October 31, 2017.

We encourage you to become thoroughly familiar with Subchapter F of the Rules of the Texas Real Estate Commission as they are devoted to the operation of proprietary schools. A copy of the Rules may be downloaded from the TREC web site at [www.trec.state.tx.us](http://www.trec.state.tx.us).

The Commission has established accreditation standards for TREC approved education programs. School examination pass rates are calculated quarterly and published at the TREC website. To renew accreditation, a proprietary school must establish that the program's graduates demonstrate a 55% examination passage rate the first time the exam has been taken by the graduates in the four-year period ending on the last day of the previous quarter. Please review §535.63 (b) of the Rules for further details of the examination passage rate and how it is calculated.

If you have any questions regarding your accreditation, please contact an Education Specialist at 512-936-3120.
